A 3D perspective view of a wall-mounted display system. The system consists of a large, dark gray rectangular panel mounted on a wall. A series of 18 small, white rectangular displays are arranged in a curved line along the bottom edge of the panel. The displays are numbered 1 through 18, with the numbers 1 through 7 on the left side and 8 through 18 on the right side. The displays are arranged in a curved line, with the top of the panel being the furthest from the viewer and the bottom edge being the closest. The displays are numbered 1 through 18, with the numbers 1 through 7 on the left side and 8 through 18 on the right side. The displays are arranged in a curved line, with the top of the panel being the furthest from the viewer and the bottom edge being the closest. The displays are numbered 1 through 18, with the numbers 1 through 7 on the left side and 8 through 18 on the right side.
